# *Friends of Hollinfare Cemetery*

Hollinfare Cemetery , Dam Lane, Hollins Green, Warrington, WA3 6LB

The Friends of Hollinfare Cemetery are a group of friendly volunteers who enjoy working together to help improve the look and feel of the cemetery.

The group has been in operation since Oct 2010 and have achieved a great deal over the years . This would not have been possible without the kind support of volunteers. Whilst we currently have a good number of volunteers we can always use another pair of hands as the cemetery keeps us busy, being a natural environment.

If you are interested in being outdoors working alongside like-minded people in a green environment, then simply turn up to any of the Action Days. Whether for an hour or more another pair of helping hands will be most welcome!

### How Can I Help?

Simply pop along to any of our Action Days which are held on the last Saturday of each month February to November from 10am - 1pm. At each Action Day a member of the Friends committee will be on hand to meet you and to let you know how you can be of help. Tasks vary from planting, weeding, pruning, digging, clearing windfall, cleaning, brushing up and helping with simple construction projects.

### Do I need to bring anything?

No just yourself. All tools and equipment are provided, including gloves. Volunteers stop for a break about 11.15am and enjoy a bacon butty or teacake and hot drink provided by the Friends of St. Helen's Church - its a lovely way to get together for 20minutes for a catch up and to get to know other volunteers.

### What if I don't know anyone!

Don't worry you soon will. Our volunteers are a friendly bunch and many new friendships have been formed over the years as a result of volunteering.

### When can I stop volunteering?

Anytime to suit you. There is absolutely no pressure for volunteers to turn up to every Action Day. Everyone has different work and family commitments and we fully appreciate how precious free time can be.

### What if I want to know more before volunteering?
