

**Rixton with Glazebrook Community Hall
Management Committee Questionnaire**

Dear Householder / Hall User

The Hall is a valuable but under-used resource. Due to its current condition and high maintenance costs, there have been discussions about refurbishing, altering or rebuilding the Hall. As part of the Community Hall Management Committee's considerations towards planning for the Hall's future we would like to know your views.

This questionnaire is being delivered to all households in the parish. We would be grateful if you would spare just a few minutes to complete and return it in one of the following collection boxes: Glazebrook Post Office, Hollins Green Post Office, Hollins Green Community Shop, Community Hall, Black Swan, Red Lion and Village Green Barbers.

If you need more copies of the form they are available at Hollins Green Community Shop. Alternatively the questionnaire can be completed online at:

[https:// www.surveymonkey.co.uk/r/NPVCLFR](https://www.surveymonkey.co.uk/r/NPVCLFR)

Please return your completed form **no later than Saturday 7th January 2017.**

PTO >

Q.3 If you answered NEVER to question 1, can you please tick all boxes below which you feel are appropriate?

Didn't know it was there No activities that suited Facilities weren't good enough

Not fully wheelchair user accessible No suitable outside area

Building looks dated / old fashioned Transport / Location issues

Other suggestions (please state)

Q. 4 What other activities / services would you like to see at the Hall?

Here are some examples:

Welfare Rights / Debt Advice Medical type service Indoor 5 A-Side

Basketball court Crèche for parents / carers doing activities Film Nights

Other (please state)

Q.5 The Hall was built in the early 1970's by local residents raising funds, however it is now costing a lot of money to maintain, to keep warm in winter and to keep water proof. What would you like to see happen to the Hall in the future?

1. Keep it as it is
2. Complete refurbishment to bring it up to today's environmental and social Standards.
3. A complete rebuild in line with today's energy efficient and social standards, in order to provide a better facility for both current and future Hall users.

.....
So we can better understand our users / potential users, can you please tell us a little about yourself:
