Introduction

The Rixton-with-Glazebrook (RwG) Community Plan Group have produced this 3yr Plan to carry forward the great work to date of the RwG Parish Plan Group. As the original 5yr Parish Plan came to an end in 2018, the group was re-named to help avoid any further confusion with the Parish Council (PC).

A summary of the achievements of volunteers over the past 5yrs is on page 15. It is important to include these, as it is due to the success of their actions and the passion and commitment to do more for the parish that the group has continued and this 3yr Plan has been produced.

This 3yr Community Plan contains identified actions split over the following areas of focus:

- Look of the Parish
- Community Facilities
- Getting Around
- Recreation & Leisure
- Communication

The Community Plan Group is made up of local residents, many of whom have been volunteering since the onset of the original parish plan. Together they have a wealth of experience in implementing an action plan, liaising with relevant bodies and engaging volunteers to help carry out identified actions in an organised and productive fashion. An information leaflet promoting the Community Plan Group and encouraging more volunteers was distributed to every household and facility in the parish in February 2018.

More volunteers with new and fresh ideas and a willingness to help are much needed, and will be regularly encouraged, to further improve the look of the parish and to support and enhance the facilities and activities it offers.

Volunteers are always made welcome and valued.

Ways in which the group encourages and engages with volunteers are highlighted on page 11.

MEETINGS

Meetings will be held 3-4 times a year to discuss the areas of focus and planned actions - these are public open meetings and are advertised throughout the Parish and via the different media channels.

Meetings are held locally at Rixton Methodist Church Hall, Chapel Lane, Rixton WA3 6HG.

An Annual General meeting is held in the Autumn.

FUNDING

The Community Plan Group hold a fundraising event at least once a year to raise funds for future Parish projects. Funds are used directly to fund small projects, such as bulb planting or litter picking, or as match funding towards a larger project when applying for grants for larger projects.

The Parish are extremely fortunate to also have local charity Hamilton Davies Trust (HDT) supporting the community groups within our Parish via funding for community projects and support with printing and publicity. Since forming in 2004 HDT have funded many of our community groups and organisations, enabling them to improve their facilities and equipment and range of activities on offer. Groups wishing to apply to HDT for funding can email hello@hamiltondavies.org.uk or phone **0161 222 4003**. Grant application forms can be downloaded from www.hamiltondavies.org.uk

Volunteering

Opportunities

- Action Days - litter picks, bulb planting, sign cleaning, guided walks
- Village Shop volunteer
- Offering help at annual community events e.g. Carnival, Garden Safari
- Action groups
- Meetings

How will the group notify people of volunteering opportunities?

- Email contact list
- Facebook posts
- Website - Community Plan page and news
- Information on community notice boards
-

Engaging volunteers

- Invite to meetings
- Advertise action days
- Provide equipment / materials and safety information relevant to tasks
- Share volunteering achievements with all volunteers to enhance sense of community and to encourage new volunteers

Volunteers are always made welcome and their views and ideas listened to.

It's easy to get involved - simply turn up at one of the meetings or for more information visit the community website or contact the Community Plan Secretary - see back page for details.

"I have lived in Glazebrook since 1980 and remember the last carnival and how it brought the community together, so I was more than happy to volunteer 30 years later to bring the event back again. The most enjoyable part of the carnival for me is the participation of the local groups, fundraising and hopefully encouraging new members to join them. Also seeing old neighbours and friends catching up with each other again. It's amazing how many people volunteer to help on the day and it's lovely to see everybody having a great time."

Pam Clayton - Carnival Committee member

"I have volunteered for the Community Plan Group (formerly Parish Plan Group) from the beginning because I love where I live and want to do what I can to help keep it looking its best. I am part of the Recreation and Leisure Group because I love walking and want to support the use and improvement of our local footpaths and green spaces. The great comradery and new friendships that volunteering for you local community brings is an added bonus!"

John Eccles - Recreation & Leisure Action Group

"I volunteered in the Community Village Shop when it first opened in 2015 and it was a great thing for me to do. Apart from being fun getting involved it also proved to be such a great experience dealing with different situations and personalities. I'm sure it will aid me in my future career."

Daniel Hunter - Village Shop volunteer
